SUMMARY

I design software products for complex, regulated environments. Senior UX judgment and user psychology that drives the metrics — system design to align complex architectures into frictionless experiences, with AI-augmented research as leverage.

Skills

SKILLS // MASTERED

Product & UX	User Research · Usability Testing · A/B Testing · Journey Mapping · Mixpanel · NPS/CSAT
Design Systems	Figma (Variables · Dev Mode · Auto Layout) · Shadcn · Radix · Storybook · WCAG 2.2 / Section 508
Design Engineering	TypeScript · React 19 · Prototyping · Supabase
Agentic UX / AI	Agent-ready Design Systems · LLM Persona Emulation · Custom MCP Design

Experience

EXP // SELECTED

2022–NOW

Booz Allen Hamilton ARMY · DOD · VA · FAA

Senior Product Designer (Design-Engineering)

Lead product designer for the Trusted Environments federal platform and Developer Portal, architecting two design systems (Shadcn, Radix, BAH Brand Book) compliant with WCAG 2.2 and Section 508 — 95%+ of automated accessibility checks passed. Pioneered agentic UX research: conducted moderated usability tests (5 users per feature) with LLM-based persona emulators; 92% of participants rated resulting improvements better. Cut design-to-dev cycle from ~6 weeks to under 1 week by delivering near-production React components (Figma Variables · Dev Mode · Auto Layout → code). Design system scaled from 0 to 26 internal teams; designed a custom MCP for developers.

2026–NOW

Compliance SaaS · LATAM 280+ PAYING USERS

Lead Product Designer

Lead product designer for a compliance SaaS for LATAM SMBs, owning discovery-to-launch design and shipping a validated MVP in 40 days. Instrumented Mixpanel end-to-end and defined the activation metric; onboarding redesign lifted new-user activation from 2.6% to 9.4% in under 3 weeks. A/B tested onboarding registration (email vs. Google Sign-in); Google Sign-in improved completion by 74%. Designed a 31-component Figma design system (Variables, Auto Layout, Dev Mode), used across 16 screens and implemented directly in React/TypeScript; product grew to ~280 paying customers on ~2,700 total users.

2016–2022

Xentinals DesignOps

Design Director / Product Manager

Directed the DesignOps unit, scaling distributed, multi-theme design systems (Ant Design, Material UI, IBM Carbon, and a custom Shadcn-based system for Banco Pichincha) across Fortune 500 clients (Merck, Mondelēz, Banco Pichincha). Led qualitative research (100+ interviews, usability testing, card sorting) to define enterprise interaction patterns, and mentored ~12 junior/mid designers. Streamlined design-to-engineering handoff, cutting time-to-market 35%.

Education

EDU

M.A. in Interaction Design & UX	Universitat Oberta de Catalunya (UOC) · in progress
B.Sc. in Computer Systems Engineering	Escuela Politécnica Nacional (EPN) · 2015
